2017 Vincent C. Scavo Grants

In 1995, the Board of Directors, voted to re-name the grants offered to members to honor the memory of Vince Scavo, one of the founders and a past President of IAAE.

Each year IAAE offers grants to members who wish to provide innovative programs for the students with whom they work. The IAAE Awards Committee will determine the number of grants awarded and the amount per award. No more than \$750 will be awarded to any one school or program. Grants have a project period of one calendar year. Recipients are required to document expenses and evaluate the project's success, **including submission of an article suitable for publication.** The article must be submitted within one year of the award date.

Grant applications are to include a narrative about the proposal and **a budget breakdown is required.**

In the narrative submitted, please include the details listed below. Grants are judged using the following criteria:

- *Involvement of students
- *Interdisciplinary
- *Experientially based
- *Potential of expanding students' horizons
- *Innovative
- *Use of community

Grant applications should be mailed to
